Live & Upcoming Events

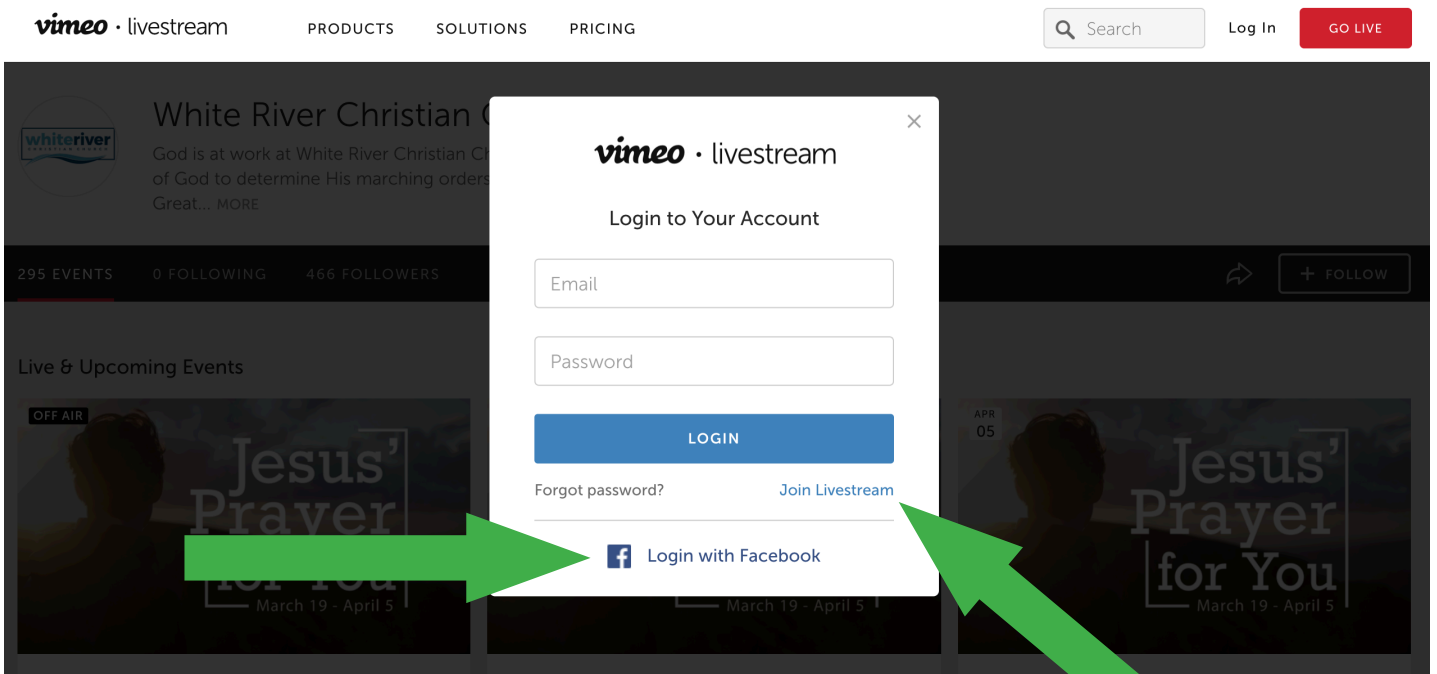

You can view live or upcoming events without logging in by just clicking on the image or title.

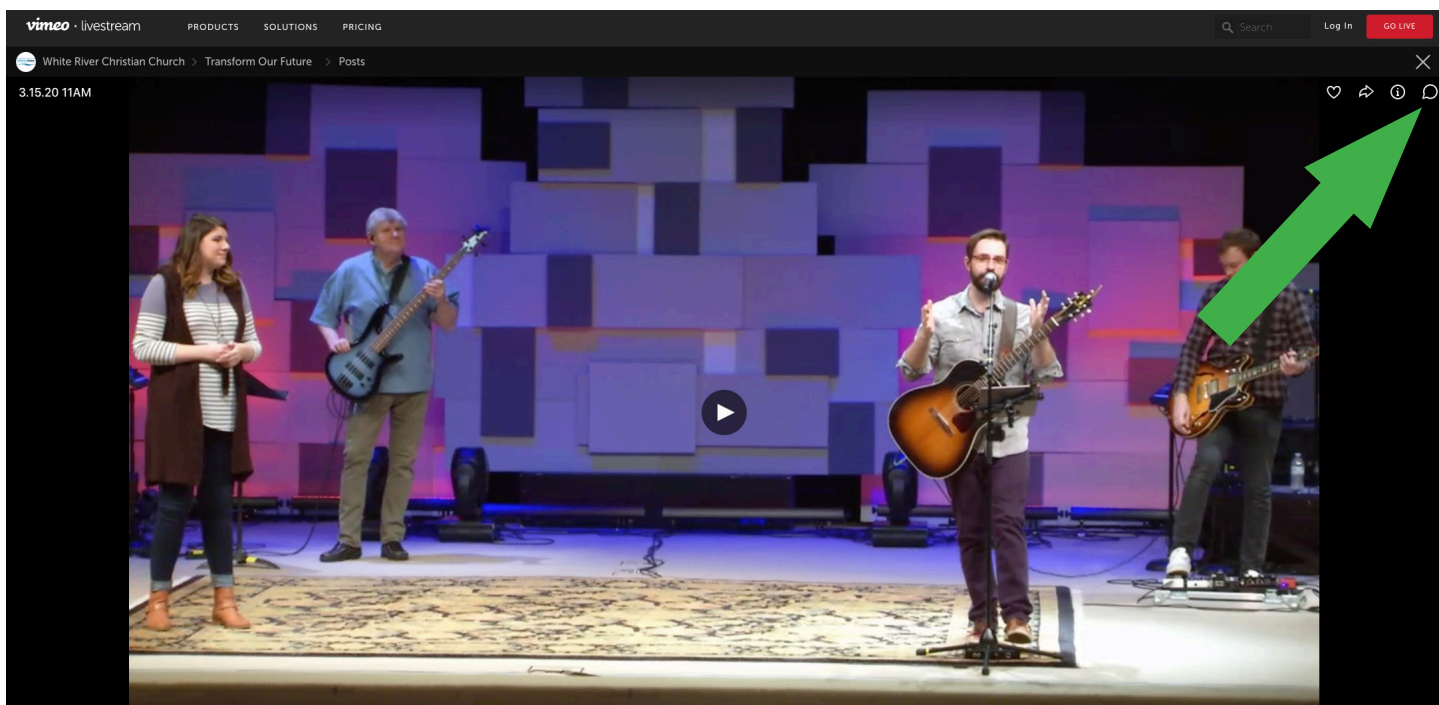

To interact with others watching at the same time, you need to create an account and **log in**.

You can create an account by clicking **Join Livestream** or **login with Facebook**.

Once you're logged in and have selected a livestream to watch, you will be able to chat with others viewing the same stream. Click the speech bubble at the top right to open the chat feature.

Type something in the box and press enter. The chat will appear to the right of the stream.
